

A.S.E.E.M

Aatmanirbhar Skilled Employee Employer Mapping

to help skilled people find sustainable
livelihood opportunities

Benefits of ASEEM :

Serves as a **central repository of trained workforce** across sectors and integrates candidate data from other central schemes including GKRA (Garib Kalyan Rojgaar Abhiyaan), SWADES, etc.

Provides employers a **platform to assess the availability of skilled workforce and formulate hiring plans.**

Supports **trends and analytics** and helps to map **demand for a skilled workforce to supply.**
